## About Prerna Classes

Prerna Classes is the leading institute in Eastern India for preparing students for engineering. It was founded in Jamshedpur in 1989. It has grown to become a name to reckon with in IIT-JEE training.

Prerna Classes students are able to get top ranks in JEE (Advanced) and JEE (Main) every year. The teaching team which had just one person in the beginning has now grown to more than 25 extremely talented and dedicated members. It offers an exhaustive range of courses to help students realize the goal of getting admitted into IITs, NITs and other leading Engineering Institutions of the country. These courses range from classroom programs to programs that can be taken online.

## Brief Description: JEE (Main) & JEE (Advanced)

JEE (Main) is the first examination any candidate seeking admission into IITs, NITs and some deemed universities must appear. JEE (Main) has one paper of 3 hours duration with objective questions from Physics, Chemistry and Mathematics. The examination will be held twice in 2024 in an Online mode (Computer Based Examination). The number of attempts which a candidate can avail at JEE (Main) is limited to six.

The JEE (Advanced) examination has two separate papers. Each paper is of 3 hours duration with objective questions from Physics, Chemistry and Mathematics. The examination will be conducted as CBT (Computer Based Test). The questions are objective type that thoroughly test the students' understanding of the subject. The examination will be held in the month of May in 2024.

# JEE (MAIN AND ADVANCED)

## Teaching Methodology

Our teaching methodology is focused on developing the thinking ability of the student. We instill subject knowledge in such a way that the student is able to apply the learnt concepts in any situation. We not only provide excellent content but also put in a lot of efforts in delivery of the content. Emphasis is given on in-depth understanding of the subject through solving a large variety of problems after providing sufficient theoretical input. In addition to the stated academic goals, we also attempt to inculcate virtues like discipline, hard-work and self-reliance among students.

## Medium of Teaching

English is the primary language of instruction in the class. Teachers do respond in Hindi when queried in Hindi but emphasis is given on English as it is the medium of teaching in IITs and NITs.

## Lecture Classes

Lectures of duration between 1 hour and 2 hours each, are designed according to the pattern and level of JEE and delivered by our esteemed faculties.

## Revision Classes

Revision classes of selected topics are arranged regularly for the benefit of students.

CLASSROOM

CLASSROOM

COURSE MATERIALS

## Smart Course Material

Students are provided with course material specifically designed according to the syllabus of JEE, containing different types of conceptual, tricky & brain storming questions including previous years JEE questions, covering all the possible arena of the problems which may be asked in forthcoming exams.

## Doubt Sessions

Some teachers of each subject are available on a daily basis in the afternoon hours for doubt clarification sessions. These sessions are optional for the students.

## Batch formation and changes

Students are allotted various batches based on their performance in the tests conducted periodically. Batches are changed at regular intervals of a few months ensuring that students of a similar academic level are kept together. In batch allotment, there is greater weightage to recent tests as compared to earlier conducted tests. Academic performance is the only criteria for batch allotment. The number of batches and strength of each batch is decided as per the discretion of Pprna Classes.

### Performance Monitoring and Reporting

For better familiarization with JEE examination and continuous practice, Monthly Tests are conducted to evaluate students performance and to develop their capabilities to respond promptly to all types of questions, to improve speed and to identify weak areas. Marks of the students along with attendance information is sent to parents via SMS.

### Website

Our comprehensive website [www.prnaclasses.com](http://www.prnaclasses.com) provides information about all of our activities. One can get details of the courses, examination details, results and notices by just visiting the website. Online registration is also possible on our website. Students can see their examination marks and can do performance analysis using the tools available on our website. It is a handy tool for parents to monitor the performance and attendance of their ward.

### Scheduled Tribes & Scheduled Castes

This is a 2 years specialized course for scheduled tribes & scheduled castes students of Jharkhand with support from a well known corporate house for preparation of engineering entrance examination. JEE topics are covered in this course. The course fees is subsidized and sponsored.

### Gifts and Memorabilia

Successful students are given gifts and a citation indicating his/her rank in the entrance examination on Annual Felicitation Function. A special counseling session is also arranged to help the students make the best choice of engineering branches at various institutes.

### Admission Procedure

1. Get the Form and prospectus from office by paying ₹ 600/-. You can also download the prospectus from our website [www.prnaclasses.com](http://www.prnaclasses.com). Read the prospectus carefully and select the course best suited for you.

### JEE (MAIN)

#### Aspire Dual Program (2024-2026)

Aspire Dual Program is a synchronized syllabus with School (ISC or CBSE) .It prepares a student for JEE(Main) and Excellence in XII Boards.

#### Benefits For The Students :

1. Students enrolling in this program will have an integrated study plan.
2. The studies for both School / Board as well as JEE (Main) will be controlled and executed by PRERNA Classes.
3. This would mean that the students would not be going through two separate schedules and classes for the same subject.
4. School time should be 100% effective for JEE (Main) preparation while simultaneously guiding you to an excellent performance in Board Exams and also helping the students to develop their personality traits.
5. A very effective coaching where teachers create new problems and therefore prepare you for all challenges.
6. School studies and JEE (Main) coaching should be synchronized i.e. the topic being done in coaching and school should be same and studies should complement each other.
7. Self-study – devoting adequate time for effective learning.

#### How You Get It ?

1. Prerna Classes has tied up with schools and the admission in schools will be done as per rules and regulations of the concerning Board(ISC or CBSE).
2. The schedule of classes for this section is going to be completely different than the rest of the students of that school and will be designed by Prerna Classes.
3. Admission to this program will be based on an Admission Test conducted by Prerna Classes .

**Duration** April 2024 to April 2026

## EVENTS

JEE (ADV) 2023 TOPPERS

COUNSELING SESSION

ICSE and CBSE Toppers 2023

It is the demonstrated ability to perform, achieve, and/or excel in scholastic activities. Academic excellence has been identified with achieving high grades and superior performance.

But academic excellence is more than just making good grades. It is the maximum development of your intellectual capacities and skills in service to humanity.

### Teaching Methodology

Building strong foundation by continuous and comprehensive training which leads to excellent performances of students at school level studies

This course for Std. VIII, IX and X is planned in such a way that no extra burden is put on students for preparing for the entrance examinations, instead it helps them to do better in the Std. X Board Examination and simultaneously builds a solid foundation for the JEE or Medical Entrance Preparations.

STD. X ICSE : NATIONAL TOPPER

### Foundation Level Studies

At this level, we have developed

- Interactive Learning Techniques
- Concept based teaching with explanation in simplest possible way
- Daily doubt classes
- Monthly tests to evaluate the performance of students (Results are available at our website)
- Revision classes just before terminal examination
- Improvement classes for students who are not performing well
- Comprehensive and Concise Assignments
- Special sessions are held for Olympiad

## What the students have to say about us

**TUSHAR KUMAR SINHA** AIR **409**  
**JAMSHEDPUR TOPPER** JEE(ADVANCED)

**AIR 325**  
**JEE(MAIN)**

"Prerna Classes has rightfully earned its title of being the best JEE Coaching in Jamshedpur City. It not only provides excellent study material and high level mock tests but also has a unique method of developing in students the ability to think on their feet. The experienced veterans in the faculty teach the students how to think of the best and fastest way to solve problems. It's been an honour for me to study here and would like to sincerely thank the whole institution and especially my teachers for helping me achieve my goals."

**DEBRAJ KARMAKAR**  
**AIR 145 JEE (ADVANCED) 2022**

"Its give Spark to the life. An IIT-aspirant actually gets a chance to learn from EX-IITians,get their experience & make a great desire to go into an IIT."

**AYUSH SINGH**  
**AIR 297 JEE (ADVANCED) 2021**

"There is a good atmosphere to focus on studies. Teachers pay close attention to our doubt and guide us effectively. Coming together with many friends pursuing the same interest force us to perform better. Overall an excellent experience studing hear."

**ANIKET GUDIPATY**  
**AIR 29 JEE (ADVANCED) 2019**

"Prerna Classes has been instrumental in building up clear concepts which is so essential in competitive exams like JEE. The intensive test series (well designed) and proved to be very beneficial for all of us. The free interaction with the faculty contributed to my good performance."

**AAYUSH AGARWAL**  
**AIR 60 JEE (ADVANCED) 2018**

"Excellent! Made my concept clear. Very good motivation from faculty. I came to know the level of preparation that was required to crack JEE."

**RAHUL KUMAR TIWARY**  
**AIR 120 JEE (ADVANCED) 2018**

"Prerna Classes helped me to achieve my goal to crack IIT-JEE. The test, assignments had helped preparation for JEE. An excellent environment to learn and improvise. Good quality of doubt classes help a lot".

**YUGESH KOTHARI**  
**AIR 120 JEE (ADVANCED) 2017**

"Prerna Classes has an excellent faculty whose efforts have materialized in a grand success of many students, including me"

**AKASH KUMAR DUTTA**  
**AIR 144 JEE (ADVANCED) 2015**

" Enjoyed studying all subjects at Prerna Classes .The subjects taught from academics point of view rather than exam oriented which was enjoyable. The rigorous practice in revision classes in the end was very useful."
