Successful Students of JEE (Advanced) 2024 at the Annual Felicitation Function on Sunday, 23<sup>rd</sup> June 2024 at Ramada Hotel, Jamshedpur.

## About Prerna Classes

Prerna Classes is the leading institute in Eastern India for preparing students for engineering. It was founded in Jamshedpur in 1989. It has grown to become a name to reckon within IIT-JEE training.

Prerna Classes students are able to get top ranks in JEE (Advanced) and JEE (Main) every year. The teaching team which had just one person in the beginning has now grown to more than

25 extremely talented and dedicated members. It offers an exhaustive range of courses to help students realize the goal of getting admitted into IITs, NITs and other leading Engineering Institutions of the country. These courses range from classroom programs to programs that can be taken online.

## Brief Description of Entrance Examinations

### Joint Entrance Examination

# Entrance Examination : JEE (Main), JEE (Advanced) and NEET

## Teaching Methodology

Our teaching methodology is focused on developing the thinking ability of the students. We instill subject knowledge in such a way that students are able to apply the learnt concepts in any situation. We not only provide excellent content but also put in a lot of efforts in delivery of the content. Emphasis is given on in-depth understanding of the subject through solving a large variety of problems after providing sufficient theoretical input. In addition to the stated academic goals, we also attempt to inculcate virtues like discipline, hard-work and self-reliance among students.

CLASSROOM

## Medium of Teaching

English is the primary language of instruction in the class. Teachers do respond in Hindi when queried in Hindi but emphasis is given on English as it is the medium of teaching in IITs, NITs and Medical Colleges.

## Lecture Classes

Lectures of duration between 1 hour and 2 hours each, are designed according to the pattern and level of JEE and NEET which are delivered by our esteemed faculties.

CLASSROOM

## Revision Classes

Revision classes of selected topics are arranged regularly for the benefit of students.

## Smart Course Material

Students are provided with course material specifically designed according to the syllabus of JEE and NEET containing different types of conceptual, tricky & brain storming questions including previous years questions, covering all the possible arena of the problems which may be asked in forthcoming exams.

COURSE MATERIALS

## Doubt Sessions

Some teachers of each subject are available on a daily basis in the afternoon hours for doubt clarification sessions. These sessions are optional for the students.

## Performance Monitoring and Reporting

For better familiarization with JEE and NEET examinations, continuous practice, monthly Tests are conducted to evaluate students performance and to develop their capabilities to respond promptly to all types of questions, to improve speed and to identify weak areas. Marks of the students along with attendance information is sent to parents via SMS.

ONLINE TEST

### Website

Our comprehensive website [prernaclases.com](http://prernaclases.com) provides information about all of our activities. One can get details of the courses, examination details, results and notices by just visiting the website. Students can see their examination marks and can do performance analysis available on our website. It is convenient for parents to monitor the performance and attendance of their ward.

### Scheduled Tribes & Scheduled Castes

This is a 2 years specialized course for scheduled tribes & scheduled castes students of Jharkhand with support from a well known corporate house for preparation of engineering entrance examination. JEE topics are covered in this course. The course fees is subsidized and sponsored.

### Gifts and Memorabilia

Successful students are given gifts and a citation indicating his/ her rank in the entrance examination on Annual Felicitation Function. A special counseling session is also arranged to help the students make the best choice of engineering branches at various institutes.

### Admission Procedure

1. Get the Form and prospectus from office by paying ₹ 600/-. You can also download the prospectus from our website [prernaclases.com](http://prernaclases.com). Read the prospectus carefully and select the course best suited for you.

# Foundation Course for STD. (8 - 10) Board Examinations

**95% and Above ICSE Toppers 2024**

It is the demonstrated ability to perform, achieve or excel in scholastic activities. Academic excellence has been identified with achieving high grades and superior performance.

But academic excellence is more than just making good grades. It is the maximum development of your intellectual capacities and skills in service to humanity.

## Teaching Methodology

Building strong foundation by continuous and comprehensive training which leads to excellent performances of students at school level studies. This course is planned in such a way that no extra burden is put on students for preparing for the entrance examinations, instead it helps them to do better in the Board Examination and simultaneously builds a solid foundation for the JEE or Medical Entrance Preparations.

## Foundation Level Studies

At this level, we have developed

- Interactive Learning Techniques
- Concept based teaching with explanation in simplest possible way
- Daily doubt classes
- Monthly tests to evaluate the performance of students
- Revision classes just before terminal examination
- Improvement classes for students who are not performing well
- Comprehensive and Concise Assignments
